Dear Mr. Miller:

The attached paper responds to a request for information on Agency intercession in behalf of Maheu and/or Giancana and/or Roselli in relation to possible prosecutions other than the 1962 Las Vegas incident. The Senate Select Committee asked Mr. Scott Breckinridge for this information during his 2 June 1975 appearance.

Sincerely,

Walter Elder

Subject: CIA Intercession in Behalf of Robert Maheu and/or Salvatore Giancana and/or John Roselli in Relation to Possible Prosecutions Other than 1962 Las Vegas Bugging Incident--Requested of Mr. Breckinridge During Appearance Before SSC on 2 June.

Response:

A review of Agency files reveal one instance, in addition to the 1962 intercession in connection with the Las Vegas bugging incident, in which CIA representatives approached law enforcement authorities with reference to pending prosecution against any of the above persons.

Records show that on 26 February 1971 the Commissioner, Immigration and Naturalization Service, Department of Justice, was approached concerning action reportedly being initiated for the deportation of John Roselli. The purpose of this was to forestall public disclosure of Roselli's past operational association with CIA. It was agreed that CIA would be kept informed of the progress of all action. No further commitments were made.

Subject: SSC Request to Breckinridge During his 2 June Appearance, for Files and Materials relating to the 1967 IG Report on Assassinations, Including Tab A after Page 77 of the Report.

Response:

A search has been made for the files of the Chief, WH Division in 1967 (Desmond Fitzgerald), and those of Col. J. C. King. At that time Mr. Fitzgerald was alive; he has since died and his files do not exist as an integral collection, although portions may exist in different holdings in WH Division. Col. King had retired at the time of the IG inquiry, but he was still working under a special contract and was at the Headquarters Building at Langley where he had retained some personal files; his files are no longer identifiable.

Other materials, reviewed by the Inspectors in 1967 were limited in nature, some of which have been made available to SSC Staff members in envelopes in which they have been held since 1967. The SSC Staff members have had access to the project files of QJWIN, WIROGUE, ZRRIFLE and EMDEED.

Should they wish access to the files relating to the anti-Diem coup, they can be made available on request.
